# Where to from here?

Work with CoJ to secure land to start Phase 1 of the garden build

Continue providing opportunities for community to connect and engage

Collaborate with SBRF for advice, to ensure garden design caters for people with additional needs

Partner with Mentally Healthy WA to bring resources to community

Continue applying for grants and seek sponsorship

Develop a website and smoother financial system

We are anticipating that the Business Plan will be presented to the City of Joondalup Council meeting in August or September 2023. We will need as many supporters there as we can. So please stay tuned as the Committee will notify everyone as soon as we know more information.

A favourable Council decision will enable PCG to gain tenure of the land and start establishing our community garden. Our Councillors and City of Joondalup are working hard to get approval through as quickly as possible, to enable us to meet the requirements of our grant commitments.

Thank you Cr Hamilton-Prime, Cr Thompson, Cr Fishwick and Erika Everitt for assisting with this.

**Thank you for our community's ongoing support for Padbury Community Inc**
