

News

From The Chair...

Assuming everything goes well then, the next 12 months could well see us starting to set up the first phase of the garden. There has always been a lot of support from the community, the local politicians, MLAs, and the City of Joondalup.

As much as we'd all like to see a garden there is still a lot to do to make this happen and the initial establishment is a big undertaking, but we will get there.

I would like to say a big thank you everyone who has been involved in the last year and supported the PCG. My special thanks go to the current committee for their tireless efforts in organising events, fundraising, grant submissions and working with the CoJ.

I look forward to seeing many of you at the AGM and the upcoming events.

Keep on gardening!
Dave

Membership renewals now open

Thank you for your ongoing support for Padbury Community Garden through the 2022/23 gardening year. Your memberships have contributed to our amazing fundraising total reaching over \$11,000 to date. Without paid memberships, we are unable to financially support the community garden. Membership fees cover things such as our Public Liability Insurance and relative associations required.

Your membership fees also helps us bring events such as the Thank You Morning Tea, workshops and events to our community.

So, from all of us at Padbury Community Garden

Thank you.

To renew your membership for 2023/24, please use this QR code or click on this link [Click here to fill in your membership form](#)

2023 AGM

It's nearly that time of year when we hold our AGM where we elect new office-bearers.

Sat July 22nd - Our AGM - Free event all welcome

Please use these links to register your attendance.

<https://events.humanitix.com/padbury-community-garden-agm>

As always, we are looking for your ongoing support and it would be great to have some new faces on the PCG committee as we edge closer to having secured the use of the land.

Would you like to help the local community by being involved in the committee?
There will be more on how to get involved in the coming weeks. Watch this space !

In the Spotlight this month...

Is our local friend and fellow gardener Ben Ezzy

You may know Ben from buying some of his seeds or seeing the posts of his amazing gardening successes on our Facebook page. Ben has been a great supporter of the Padbury Community Garden, working behind the scenes harvesting and packing his seeds to sell to the community.

So far this financial year, Ben has raised over \$500 for Padbury Community Garden - What an amazing achievement with the sale of his \$2 seed packets and produce.

If you would like to purchase any seeds from Ben, just drop a comment onto the PCG Facebook page or send us an email with your request to fundraisingpcg@gmail.com

Fundraising Events Coming up...

We have a few fun events coming up, so grab your tickets early by either scanning the QR code or clicking the link.

Sat June 24th - The Beginners Guide to Preserving - \$15 pp (Early Bird sale now finished)

<https://events.humanitix.com/beginners-guide-to-preserved>

Past Workshops & Events

Thanks to the ladies at **Creative Party Flair** for facilitating the fun kids painting workshop.

The kids ranged from 3 – 14 years old and everyone created such wonderful ice cream paintings. A little break halfway to enjoy a lovely fruit platter and they were off again finishing their masterpieces.

More photos from the afternoon of fun can be found on our Facebook page link below

\$15 each

A natural cream with sesame, almond and apricot oils, lanolin, cocoa butter and 4 Aussie essential oils of Lemon Myrtle, Tea Tree, Peppermint and Lemon Scented Eucalyptus gum.

Handy Soap on a Rope
is a hand made natural soap, that is designed to hang for ease of using.
Contains Lavendar and Tea Tree oils, pumice stone that's ideal to get out that stubborn gardening dirt.

\$9.00 each

Both made locally

Blueberry Fertiliser - \$25

Gardener's Hand cream - \$15

Gardener's Soap - \$9

Acrylic Plant Lables - \$12 a set

Plus, an array of succulent stocks & Arrangements can be made to order

Fertiliser for your Blueberry

This fertiliser has been developed by commercial blueberry growers in Western Australia to achieve maximum growth and yield in blueberry plants..

1lt Concentrate for \$25

This fertiliser is suitable for Rhododendron, Azelias, Camellias and other acid loving plants.

Autumn - Winter
Dilute 5mL per L of water.

Spring - Summer
Dilute 10mL per L of water.

Example - 45mL in a 9L watering can in Winter.

This should be enough to feed 6 medium to large bushes. Feed Weekly.

Apply the liquid feed when your soil is on the dry side. Apply just enough until you see runoff out the bottom of the pot. Remember, if it washes past the root zone, the plant cannot use it.

We are in the process of moving our Facebook community over to our new **Padbury Community Garden Inc. page**, if you have not yet joined, please do so to access more garden related information.
